

Local excellence.
Global reach.
Trusted advice.

ALRUD

ALRUD is one of the leading full service Russian law firms, serving domestic and international clients. We stand for high quality advice, excellent service and rigorous ethical standards.

Established in 1991 by Senior Partners Maxim Alekseyev and Vassily Rudomino, ALRUD is widely recognized as one of the leading and most reputable Russian law firms.

We provide full scope of legal services to local and international clients in the areas of corporate/M&A, competition/antitrust, banking & finance, intellectual property, commercial law, data protection/cybersecurity, dispute resolution, inward investment, employment, restructuring/insolvency, real estate and tax.

Our clients include blue-chip multinationals, Russian and international enterprises.

Outside of our domestic market, our clients are spread across Europe, Asia, North and South America.

ALRUD serves clients across a range of industries including energy and natural resources, mining, banking and finance, consumer goods and retail, investment management, government and public services, healthcare and pharmaceuticals, industrials, chemicals, technology, media and telecoms, transport and logistics.

Our strengths

Independent and international. We are one of the Russia's leading independent law firms, highly regarded in our domestic market and widely recognized for our expertise in complex cross-border transactions and international disputes.

Strength in depth. Our team extends more than 100 professionals, led by equity partners, who bring expertise and experience across the full range of legal services.

Teamwork and trust. We enjoy a collegiate culture which inspires us to provide innovative, practical and cost-effective advice. This has earned us our status as trusted advisers to our clients.

Global reach. Through our established relationships with leading international law firms across Europe, Asia and the US, we are able to draw on the skills of the best lawyers in all major jurisdictions around the world, working as an integrated team to provide our clients with an international service of the highest quality.

Multi-lingual approach. ALRUD provides legal services in English and Russian. We are also able to provide advice in multiple other languages including German, French, Japanese and Chinese.

“ALRUD Law Firm combines practical advice, strong value for money, very good responsiveness and a focus on clients' needs and interests”.

“Reliability, experience and trust — we have all those in the name of ALRUD. The firm is excellent and our first instinct is to call them if we have any complicated problems. We are very happy — the lawyers give us precise analysis of pros and cons, and we are given options, as well as recommendations and a very good assessment of risks too”.
